WEEKLY CLASS SCHEDULE

MONDAYS	TUESDAYS	WEDNESDAYS	THURSDAYS	FRIDAYS	SATURDAYS

Infinity Ballet Theatre, our partner organization, is committed to building theatrical arts in the community by offering high quality dance instruction with performance opportunities for young dancers to express themselves and grow as artists. For more information about how you could participate in performances throughout the Triangle area, please see our receptionist.

I have read, understood and agree to the following:

- Each new season requires an updated and signed registration form.

- An annual registration fee of $40 will be billed on the student's anniversary date of their original registration for the first 5 (consecutive) years of the student's participation with Infinity Ballet prior to being grandfathered.

- Tuitions are due promptly one week prior to the invoiced period. There will be a one week grace period before a late fee of $10 will be charged for each payment that is late. After 60 days with payment in arrears, the dancer will need to reinstate their registration prior to taking lessons.

- **All Tuition Payments are Non-Refundable,** including all payments made in advance.

- **Infinity Ballet does NOT follow the Wake County School Schedules for holiday or inclement weather closings.** Closings are listed on the class schedule form (found also on our website.) In the event of inclement weather, a message will be left on the Infinity Ballet office answering machine, usually after 2:00 pm of any day in question.

- I will call IBC office if my dancer is unable to attend a lesson. Attendance is mandatory to maintain status in class levels and make-up lessons are limited to three per each ten week period. I have read and understood the official attendance and make-up policy of Infinity Ballet.

- All health and medical conditions that may arise, including medications prescribed, during the time your dancer is participating in dance lessons or activities with Infinity Ballet are to be reported to the office staff to inform the teacher prior to taking lessons.

- Infinity Ballet office staff must have notice if I give permission for my student to leave or carpool with someone other than the parents/guardians indicated on the registration form.

- I hereby give permission for images of my child, captured by infinity Ballet photographers and videographers during rehearsals, performances, classroom lessons and programs to be used solely for the purposes of Infinity Ballet material and publications, and waive any rights of compensation or ownership thereto.

- I understand that personal use of photographic images of Infinity Ballet lessons and rehearsals, including the posting of these to any social media websites, is not permitted without the written approval of the director.

- Performance opportunities at Infinity Ballet are offered by Infinity Ballet Theatre (IBT), a non-profit organization that is a separate legal entity and registration for performance opportunities is not required to participate in IBC classes.

- Though Infinity Ballet teachers work for both organizations, a dancer's participation in performances with Infinity Ballet Theatre requires a separate registration and payment. (For more information about how your dancer may participate in performances, please see our receptionist).

The undersigned student, parents and/or guardian of the student hereby release and waive any and all claims against Infinity Ballet owners, directors, teachers and or employees for any liability for injuries, including personal and bodily injury, to the person or persons related to student or the damage of property of the person or persons related to student which may occur while participating in the activities, activities sponsored by, or in or surrounding the physical building of Infinity Ballet Conservatory unless said injures or damage is caused by the negligence of Infinity Ballet or any of its employees. The undersigned represents that the student is in good health and does not have any history of a medical or physical condition (unless specified in registration form) that would place the student at risk because of his/her condition. The undersigned further acknowledges that the student's instruction involves physical exercise and physical stress which could result in physical injury of the student.

In signing this, I am confirming that I have read and agree to all of the terms indicated above.
