Infinity Ballet proudly presents a wonderful group of young dancers in our 15th Annual Nutcracker Season.

This Fall has been busy for many of our dancers who have just completed a very successful production of "The Wolf and the Toymaker" as they also have been preparing the "Nutcracker Dances". We are very proud of their dedication and how they pursue their love of dance through their educational lessons and performances. Their teamwork and comradery are inspirational.

Infinity Ballet opened its doors in Apex in 2002 and has been honored to be a part of the cultural arts in the community. Sustaining a non-for-profit art organization has been extra challenging in 2024. Please consider IBT in your end of the year donations to help make it possible for our young artists to participate in IBT 23rd Spring Spectacular Performance in a theater environment. The production is scheduled to be held at the Cary Arts Center on May 31st. **We currently have a donor that has offered to match up to \$1000.** Any donation amount will help!

Spring Spectacular auditions are held on January 11th at IBC studios and open to dancers of all ages.

Thank you for your support.

We wish you and your family a very happy holiday season.
