As we begin our 21st season at Infinity Ballet we are grateful for the incredible support of the people that have helped make our productions possible. We are thankful to the Halle Cultural Arts Center staff for providing us with this special performing home in Apex and to our dedicated volunteers for their fundraising, guidance, in-kind donations, and valuable time to assist us with all the various projects for our shows. It is with the inspiration of our hard-working dancers and parent volunteers that we continue to persevere to consistently create quality annual productions. We welcome new volunteers to help us on our journey to supply opportunities to young artists. If you would like to learn more please contact infinityparentguild@gmail.com
