

The studio's August class schedule is designed to be flexible due to the uncertain safety due to Covid-19 epidemic and dependent on what is advised by our state department. It allows for unlimited online training in all Classes. A maximum of five dancers per class may have the opportunity to take their lesson on location at the studio with safety precautions in place. All dancers & teachers at the studio will be required to follow safety controls, including the commitment to participate only when there is no evidence of health problems in themselves or family members. All participants at the studio are required to wear masks while in the building. Students are to bring their own mask, sanitizer and barre cover. Barres will be sanitized after each usage. Surfaces will be sanitized after each set of classes and floors will be sanitized nightly or in the case of classes with floorwork, after the lesson. Classes noted "Virtual" the teacher will not be at the studio so is offered only online. Classes are subject to cancellation if a minimum of four people are not enrolled for the month.

Those dancers that are registered and wishing to have additional private training may arrange for lessons with a teacher. Rental of the studio space is \$25/hour. This fee will be waived for all dancers training 5 hrs or more per week. Contact Debra at 919-303-1105 or infinityballet@bellsouth.net for arrangements and questions.
